CITY LANDFILL

Last year some unacceptable items were left in the City Landfill (couch, mattress and bicycles). Due to this unauthorized use, the City Landfill will now be kept locked at all times and use of the Landfill will be by appointment only. Anyone using the Landfill without authorization will be guilty of trespass.

The State inspects our Landfill routinely. If items such as named above or other unacceptable items are found, the Landfill would be in danger of being closed by the State. We thank you for your cooperation in this matter.
