A new electronic sign was recently erected on the corner of Morton Avenue and 4th Street. Page School purchased the sign and was installed with the assistance of EEE, Inc. Donations were given to the School from the Page Community Club and the City of Page towards the purchase. The sign will display date, time and temperature and will also display school activities and up-coming Community events. This sign will not be used for any business advertising. If you have a community event to be posted, contact Jeff Watts at the Page School.
