PAGE THEATER TO OPEN APRIL 6th

The 2013 season for the Page Theater will begin on Saturday, April 6th and Sunday, April 7th at 7:30 pm. The movie has yet to be determined.

The fund raising financial goal to purchase a Digital System for the Theater has been met and the system has been ordered. It is hoped to have this installed by late April or early May. Until that time movies will be shown on the Theater's regular projector.

A Grand Opening is being planned for the Theater soon after installation of new system.

Other renovations are being planned for the Theater so any and all donations would be welcome.
