## WATER & GARBAGE RATES TO INCREASE IN JANUARY CORRECTION

In last month's newsletter, the new garbage rate was incorrect. The correct rate for garbage is listed below. The new rates will be reflected in the Water & Sewer billing you receive in January.

The minimum water rate will increase from \$30.00 to \$32.00. This is for 3,000 gallons. The rate for excess gallons used over 3,000 gallons will increase from \$4.50 per 1,000 gallons to \$4.75 per 1,000 gallons.

**The garbage rate will increase from \$16.00 to \$17.50 per month.**
