2012 PAGE COMMUNITY DAYS

**HONORING PAST & PRESENT
ATHLETIC TEAMS**

The 2012 Page Community Days will be honoring past and present athletic teams. We would like to have team reunions and floats of various teams of all sports throughout the ages. We are just using word of mouth to spread the news. If you were on a team that had a good season, or a bad season, or maybe just remember having a good time with that team, then we need you to make some contacts of your old teammates and enter a float for that team. Even if you can only get a few to come back you can still have something to honor that team's achievements. It can be football, basketball, volleyball, baseball/softball (school related or not), cheerleading, track or soccer. So get on Facebook, send some emails, send some texts, make some phone calls or even write a letter and get the word out. It would be nice to bring back some of the old coaches also. Get together with the old gang and relive the glory days or discuss what went wrong. We will also be having a 3-on-3 basketball tournament this year at the school on Saturday afternoon. We will have a men and women division. They will be split up into 18 and under, adult and old pros. John Lang will be organizing the games. We will have some time constraints on the gym, so the number of teams allowed might have to be limited. It will be on a first come basis. You may pre-register your team with John by sending him an email at john_lang29@hotmail.com. It would be fun to see some of the people from the parade in the tournament. Bring your tennis shoes!
